

Meet our October Ambassadors, Jedi, Charlie and Cory. These wonderful seniors are living their life out in Crabtree. Jedi, the black Shih-tzu, is 15 years old and still going strong. He doesn't see very well or hear but he still runs like the wind and enjoys his naps and just hanging in the kitchen. Jedi was adopted in later life from another family.

Charlie is a 13-year-old English Springer Spaniel. Charlie likes to keep an eye on everything going on in the house. He likes to be in charge even if the other two largely ignore him. He gets a little crazy when the treat jar comes out. Charlie was adopted as a senior from Sarges when his original owner died.

Cory is a sweet and beautiful 8-year-old Doberman mix. Weighing in at 80 pounds she is the largest of the mix. Cory takes her job as the family watch dog very serious. She has saved her owner's life a million times over the years from delivery trucks to pesky squirrels and leaves. Cory was also adopted from Sarges.

All three of these little charmers have a message for everyone:

*Be the Solution. Spay, Neuter and Adopt!*
