

## Grant Received from Community Cats Podcast

October 2, 2018

Haywood Spay/Neuter is pleased to announce that we have been awarded a \$1000.00 grant from the Community Cats Podcast organization to spay and neuter friendly, homeless cats in Haywood County. This is a matching grant so we will be required to raise \$1000.00 between October 1 and December 31, 2018. We will be selling holiday cards and accepting donations for this fundraiser.

In collaboration with the Community Cats Podcast grant Haywood Spay/Neuter is excited to launch the

“Community Cat Project.” Any community cat that goes through our spay and neuter program will be free.

We are thrilled to be chosen for this matching grant and are excited to be working with the Community Cats Podcast for the first time. The Community Cats Podcasts offer so much support in the way of conference calls, Podcasts and handouts to the assist groups like Haywood Spay/Neuter to spay and neuter community, homeless cats. Please call our office for details at 828-452-1329.
