

## **SPAYgetti and NO Meatball Dinner**

Haywood Spay/ Neuter held it's 2<sup>nd</sup> annual World Spay Day, "SPAYgetti and No Meatballs" celebration dinner at the Maggie Valley Club on February 25.

Over ninety friends of Haywood Spay/Neuter shared an Italian dinner, consisting of a delicious pasta bar with tiramisu. It was a relaxing evening with friends sitting at tables of 8. Lots of fun and laughter was had.

Haywood Spay/Neuter, also know as HAWA, is the oldest animal welfare association in Haywood County. HSN provides spay and neuter services for pets for those in our community who cannot afford it on their own. For those that are income qualified the surgeries are \$10 or \$20 dollars. There is a program for retired military individuals and a program for PITBULLS that will provide free services to those that are income qualified. By offering these services HSN has helped to greatly reduce the number of unwanted dogs and cats turned into the Haywood County Animal Shelter which is now a no kill shelter! HSN also has a wellness program that makes flea and tick medicines available at a reduced cost.

For more information about how on the services call 828-452-1329 or email [admin@haywoodspayneuter.org](mailto:admin@haywoodspayneuter.org).
